MVPT PHYSICAL THERAPY

Patient Commitment & Missed Appointment Policy

Thank you for choosing MVPT Physical Therapy; our staff will make every effort to ensure your experience here is both positive and productive so that you are able to achieve your functional goals. In order to give you the best possible outcome it is essential that you attend all your therapy appointments, as missing scheduled appointments greatly hinders progress toward your goals and may result in delaying your recovery.

In order to provide optimum outcomes and individualized care, we schedule our patients for one-on-one treatment times. We therefore respectfully require a 24 hour' notice for any appointment cancellation, which allows us the best opportunity to fill your appointment time with another patient who requires treatment.

A 24 hours' notice is required for an appointment to be rescheduled.

In an instance of a cancellation without 24 hours' notice or a no-show to a scheduled appointment, we reserve the right to charge a $50 fee. Exceptions may be made in the case of an emergency, illness, or inclement weather. Please note that this charge cannot be billed to insurance and must be paid on or before the next scheduled appointment.

While there may be situations in which you must (with proper notice) cancel your appointment:

- **DO NOT CANCEL** if you are feeling worse or believe the treatment is not working. Please understand that your pain will probably fluctuate as your course of treatment progresses. Keep your appointment and discuss any changes in your symptoms with your therapist.
- **DO NOT CANCEL** if you are feeling better; keep your appointment in order to progress your plan of care and prepare for discharge.

Thank you for your cooperation with this policy.

Signing below indicates that you understand and agree to the terms of this policy.
